1. RESPONSIBILITIES:

1.1 The Interstate Corrections Compact will be administered by the ICC Coordinator (designated Central Classification Committee CMember) of the Division of Classification and Inmate Records. The ICC Coordinator will ensure that an equitable exchange exists between South Carolina and other signatory states.

1.2 Procedures as defined in Articles I through X of the South Carolina Code of Laws, §24-11-10 et seq., will be adhered to in the administration of the Interstate Corrections Compact; and all contractual agreements will be reviewed by the Office of General Counsel and the Agency Director. Inmates sentenced under the Youthful Offender Act are not eligible for interstate transfers due to the short amount of time that they normally serve and due to the lack of similarly legislated programs in other states.

2. SECURITY/TRANSPORTATION: The Office of the Deputy Director of Operations (DDO) or designee, Division of Security personnel, and/or the Extradition Officer will provide appropriate interstate transportation and security officers for the transfer of inmates from SCDC institutions in compliance with related SCDC policies addressing the transportation of inmates when required.

3. SOUTH CAROLINA AS SENDING STATE - VOLUNTARY TRANSFER: When an inmate voluntarily requests to be transferred from South Carolina to another state, the exchange procedures below are to be followed:

3.1 Any inmate applying for an Interstate Corrections Compact transfer must meet the following criteria:

3.1.1 Must confirm with classification caseworker that the state is a member of the compact;

3.1.2 Must have immediate family in the state to which s/he is requesting to be transferred;

3.1.3 Must have at least two (2) years remaining to serve on his/her current (or consecutive) sentence (to include both projected max-out and parole eligibility dates);

3.1.4 Must have served at least six (6) months within the South Carolina Department of Corrections;

3.1.5 Must not have post-conviction relief hearings pending;

3.1.6 Must not have a detainer (wanted, hold, or notify) except in the state to which s/he is requesting to be transferred; and

3.1.7 Must not have had a disciplinary conviction of any type or an administrative transfer for security reasons within the past six (6) months.

3.1.8 Must not have been a previous participant in the ICC program and was not returned to SCDC for any disciplinary/behavior reasons, or as a result of the inmate's request.

3.1.9 Must waive the right to return to SCDC for the purpose of appearing before the parole board.

3.2 The inmate may request a transfer to his/her home state by submitting a completed SCDC Form 19-100, "Interstate Corrections Compact Application," to the appropriate Classification Caseworker. The inmate will be required to sign the "consent for transfer" and "waiver for hearing" sections on the form. Other information to be provided includes, but is not limited to: names, addresses, and relationships of immediate family members in the requested state.

3.3 Any inmate approved for a voluntary transfer from South Carolina to another state will be responsible for paying the costs of transportation as determined by the South Carolina Department of Corrections. The inmate must sign a statement that says s/he will pay these costs before the application will be processed. Funds to cover these costs must be in the inmate's E.H. Cooper account in accordance with SCDC Policy

ADM-15.12, "E.H. Cooper Trust Fund," prior to the actual transfer. The ICC Coordinator or designee will be responsible for determining transportation costs and providing that information to the inmate.

3.4 The Institutional Classification Committee (ICC) will review the inmate's institutional record to determine the inmate's progress and probable effect of such a transfer on the inmate's classification plan.

3.5 Upon approval by the ICC, the Classification Caseworker will forward the transfer request to the ICC Coordinator or designee. A copy of this request will be filed in the inmate's institutional record.

3.6 Upon review and approval of the submitted application, the ICC Coordinator or designee will determine if South Carolina has a contract with the requested state. If a contract has been signed and is valid, the ICC Coordinator or designee will forward a completed copy of the inmate's Central and medical records to the requested state for review and approval/disapproval. The inmate will be advised of this action.

3.7 Upon notification of disposition (approval/disapproval) from the requested state, the ICC Coordinator or designee will advise the inmate and, if the request has been approved, will make transportation arrangements with the receiving state.

3.8 If an inmate is approved for an interstate transfer and the requested state is not a member, the inmate will be advised in writing by the ICC Coordinator or designee.

3.9 If an inmate is approved for an interstate transfer and the requested state is a member of the Compact by an agreement with South Carolina, but is not active, the ICC Coordinator or designee will make a reasonable effort to implement such an agreement.

3.10 The receiving state will submit an initial classification summary to South Carolina within ninety (90) days of the receipt of the inmate and thereafter will submit a classification progress report semi-annually. The ICC Coordinator or designee will review the reports, make any necessary changes in the Earned Work Credit section of the inmate's automated record, and submit reports for file in the inmate's central record.

3.11 Transfer under the provisions of the Interstate Corrections Compact will not affect the release or parole date as determined by the State of South Carolina, except as applicable to any normal earned work credit changes or disciplinary actions. Inmates who serve South Carolina sentences in other states may be awarded earned work credits and/or earned educational credits as determined by the Division Director of Classification and Inmate Records, based upon information furnished by the other state's corrections department.

3.12 Pursuant to procedures regarding Interstate Corrections Compact (ICC) transfers, inmates who transfer under the ICC do so at their own request and are not eligible for inmate pay from SCDC while at the receiving state. If the inmate is returned to SCDC for administrative reasons, s/he may be assigned to a job and receive inmate pay provided such is allowed by policies governing inmate pay.

3.13 An SCDC inmate that was transferred to another state as a result of an Interstate Corrections Compact transfer may request to be returned to the SCDC. The inmate must clearly state his/her reasons for requesting their return to the SCDC. If this request is approved, the inmate will be responsible for all expenses incurred in facilitating this request. Once returned to the SCDC, the inmate will be ineligible for future ICC transfers, under this incarceration or future incarcerations.

3.14 The Office of General Counsel will approve all voluntary transfers to ensure that there is no pending litigation.

3.15 If any inmate is disapproved by the SCDC or the requested state, for an Interstate Corrections Compact, s/he may reapply six (6) months after the date of disapproval if all other requirements cited in Section 3.1, above, are met.

4. SOUTH CAROLINA AS SENDING STATE - INVOLUNTARY TRANSFER: When an inmate is to be involuntarily transferred from the SCDC to another state, the procedures below will be followed:

4.1 The Office of the Deputy Director of Operations (DDO) or designee may request that an inmate be considered for an involuntary transfer to another state. This request would normally be based upon a need by the inmate for protection beyond that which is available within this state, or based upon the inmate's being a management problem in SCDC, or in the interest of rehabilitation (i.e., to provide an inmate a fresh start in another prison system). The inmate should not have any post-conviction relief hearings pending or detainers.

4.2 The Classification Caseworker will forward the request for the involuntary transfer to the ICC Coordinator or designee.

4.3 The Classification Caseworker will serve written notice (SCDC Form 18-34, "48 Hour Notice") upon the inmate at least 48 hours prior to the ICC hearing, advising the inmate that s/he:

4.3.1 Is being considered for an involuntary transfer to another state prison system under the Interstate Corrections Compact (NOTE: A detailed memorandum outlining the reasons for the transfer will be included in the written notice with a copy to the inmate, and will also be read to the inmate at the hearing.);

4.3.3 Has the right to be present at this hearing and that a digital recording of the hearing and Central Classification Committee deliberations will be maintained for four (4) years;

4.3.4 May offer witnesses on his/her behalf as to why s/he should or should not be granted such a transfer (NOTE: The ICC Coordinator or designee may limit the number of witnesses and rule on issues of relevancy. Reasons will be documented as to why certain evidence or witnesses were not admitted into the record.);

4.3.5 May cross-examine witnesses offered against him/her, if any;

4.3.6 Will have an opportunity to be heard; and

4.3.7 Will be advised by memorandum of the Central Classification Committee's findings.

4.4 The ICC Coordinator or designee will, within three (3) working days after the hearing, submit a report to the Division Director of Classification and Inmate Records recommending approval or denial of the interstate transfer. This report will be in memorandum format and will contain explicit reasons why such transfer should or should not take place. The inmate will be provided a copy of this report.

4.5 If approved, the report will then be submitted to the Division Director of Classification and Inmate Records or designee. The Division Director of Classification and Inmate Records or designee will either approve or disapprove the report and submit it to the Office of the Deputy Director of Operations or designee.

If the the Office of the Deputy Director of Operations or designee recommends approval, s/he will provide a copy of the memorandum and approval to the Division Director of Classification and Inmate Records and instruct him/her that the procedures of the Interstate Corrections Compact are to be utilized and to arrange a transfer as expeditiously as possible.

4.7 The inmate will be advised in writing via a memorandum by the ICC Coordinator or designee of the decision.

4.8 The inmate may appeal any request denial to the Director of the South Carolina Department of Corrections.

4.9 The receiving state will provide a Classification Progress Report (available from the Division of Classification and Inmate Records every six (6) months to SCDC. The progress report will include any changes in Earned Work Credits, custody, disciplinary history, and/or security status.
